

VU/VUMC transition

System downtimes and impacts

To prepare our systems for the legal separation of the University and Medical Center, some systems will have limited functionality for short periods of time:

- **C2HR** will be unavailable April 28 – May 4.
 - Paystubs cannot be viewed during this time and should be viewed on April 27.
 - No direct deposit changes can be processed.
- Timekeeping system **Kronos** will be available the whole time. **Exempt Time Off (ETO)** and **e-Timesheet** will be unavailable April 28 – May 2. Hourly paid (non-exempt) employees should manually track their time and enter it when e-Timesheet is available May 2.
- **Talent Central/Taleo** will be unavailable for applicants April 28 – May 5, and for hiring managers April 29 – May 4.
- **AccessVU** will be unavailable April 29, 5 p.m. - May 1. You will not be able to reset your password during this time.

A comprehensive list of University systems and impacts during the transition close period is posted on vu.edu/transition.

Please post until May 5
