## Applications are now open!!!

Applications for the 2023-2024 Quality Academy class are now open. Sessions will take place on Thursday afternoons for 4 hours from 1-5pm, in person, at Monroe Carell Jr. Children's Hospital.

There will be two sessions in August (10th and 17th), and then monthly sessions on the second Thursday of each month (EXCEPT October and March) through June 2024. The session in June will be a graduation ceremony with presentations by participants to senior leadership. The dates for the October and March sessions will be determined soon to avoid local school district spring and fall breaks, which has created attendance conflicts in the past.

This course is no-charge to VUMC staff.
