## GOALS OF PANEL DISCUSSION

### Disability Identity & Pride

Hear from diverse individuals with lived experiences and celebrate the positive aspects of life with disabilities.

### Intersectionality

Consider how all the components of someone's life intersect and the impact this has specific to disability experience.

### Challenges and Inclusion in the Community

Learn about unique challenges and barriers faced when participating in the community, as well as ways to increase inclusion and access.

### Advocacy

Hear about advocacy within the disability community by disabled people as well as opportunities for non-disabled people to provide support and allyship.
